## **APPENDIX: GLOBAL ENGAGEMENT OUTCOMES**

These were developed for the Center for Global Engagement by a working group consisting of broad representation of faculty and staff across the campus. The outcomes pertain to the study abroad experience. They are not discipline-specific knowledge learning outcomes, and they are not Liberal Learning Global outcomes.

### ***Cognition***

1. Examines the historical and contemporary roles, interconnects, and differential effects of human organizations and actions on global systems within the human and the natural world.
2. Explains and connects two or more cultures historically or in contemporary contexts with some acknowledgment of power structures, demonstrating respectful interaction with varied cultures and worldviews.
3. Demonstrates knowledge of the complex elements important to members of another culture in relation to history, values, politics, communication styles, economy, or beliefs and practices.

### ***Introspection***

4. Recognizes new perspectives about own cultural rules and biases.
5. Initiates and develops nonjudgmental interactions with culturally different others.

### ***Application***

6. Recognizes linguistic and cultural differences in verbal-nonverbal communications and begins to negotiate a shared understanding based on those differences.
7. Demonstrates language proficiency and cultural understanding of a language community that is not their own.
8. Formulates practical solutions to global challenges that use at least two disciplinary perspectives.
